Bunnies are placed for sale at five weeks old, but do not leave the nest until they are at least eight weeks old. A fifty percent nonrefundable deposit is required in order to hold your pick. We will not hold a bunny until the deposit is made. I accept cash or checks. Cash is preferred.

We sell rabbits on a first come first serve basis.

Prices are based on the rabbits breed, bloodline, legs in bloodline, and age of each rabbit.

We hold the right to end a sale during any time of the sale process if we feel necessary. We do not knowingly sell any sick rabbits. Health cannot be guaranteed after the rabbit leaves our possession due to disease transmission. Your rabbit is guaranteed to be healthy at the time of the sale. It is your responsibility to check over the rabbit at the time of sale to make sure that it is what you want. We do not sell on location meaning we don't allow anyone to come to the site our rabbits are held at, this is for the safety of our animals. Feel free to contact me with any questions. It doesn't matter to me if you have had thee rabbit for one day or fifteen years, you can call or text me anytime.
